

Employee Agreement for Use of Z87-Rated Visor Attachment

This agreement applies to any employee who is assigned a Z87-rated visor attachment for their helmet, which is approved by ANSI and meets OSHA standards as a substitute for the standard safety glasses provided by the company.

By signing this agreement, the employee acknowledges and agrees to the following terms:

1. The visor attachment must be worn correctly at all times when required and during the performance of work tasks.
2. Failure to properly use the visor as required will result in its immediate confiscation.
3. If the visor is confiscated due to non-compliance, the employee will be provided with the standard safety glasses, which must then be worn as required.

Failure to comply with this agreement may result in further corrective action in accordance with company policy.

By signing below, the employee confirms that they understand and accept the terms outlined above.
